EXECUTIVE OFFICER

Dear Supervisors:

**RECOMMENDATION TO AWARD CONTRACTS WITH VARIOUS AGENCIES TO PROVIDE
DOMESTIC VIOLENCE SUPPORTIVE SERVICES AND DOMESTIC VIOLENCE SHELTER-
BASED PROGRAM SERVICES
(ALL DISTRICTS - 3 VOTES)**

SUBJECT

The Department of Public Social Services (DPSS) seeks Board approval to execute contracts with 44 non-profit agencies for the provision of: 1) Domestic Violence Supportive Services (DVSS) for California Work Opportunity and Responsibility to Kids (CalWORKs) Greater Avenues for Independence, General Relief (GR), and General Relief Opportunities for Work (GROW) participants, and 2) Domestic Violence Shelter-Based Program (DVSBP) services for victims of domestic violence and their children residing in Los Angeles County. The current contracts expire on June 30, 2013.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DPSS or her designee to prepare and execute contracts for DVSS services substantially similar to Enclosure I with the 41 agencies in the amounts indicated on Enclosure II, effective July 1, 2013 through June 30, 2016. The total maximum cost of the DVSS contracts for the three-year term is \$37,785,696. Services to CalWORKs participants are fully funded by CalWORKs Single Allocation in the annual amount of \$12,354,232. Services to GR participants are funded by net County cost (NCC) in an annual amount of \$60,000. Services to GROW participants are \$181,000 annually, financed with federal CalFresh Employment and Training funds and with NCC, in annual amounts of approximately \$82,174 and \$98,826, respectively.
2. Delegate authority to the Director or her designee to prepare and execute contracts for DVSBP

services substantially similar to Enclosure III with the 18 agencies in the amounts indicated on Enclosure IV, effective July 1, 2013 through June 30, 2018. The total maximum cost of the contracts for the five-year term is \$9,499,965, fully financed with Domestic Violence Special funds.

3. Delegate authority to the Director of DPSS or her designee to prepare and execute amendments to the DVSS and DVSBP contracts for: (1) instances which affect the scope of work, term, contract sum, payment terms, or any other term or condition in the contract; (2) additions and/or changes required by the Board or Chief Executive Officer (CEO); (3) changes to be in compliance with applicable County, State, and federal regulations, or (4) increases or decreases of no more than ten percent of the original contract amounts based on contractors' performance, community needs, and funding availability. The approval of County Counsel as to form will be obtained prior to executing such amendments. The Director shall notify the Board within ten business days of executing such amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current contracts expire on June 30, 2013, and new contracts are required to continue providing DVSS and DVSBP services. The recommended action will allow DPSS to provide: 1) DVSS case management and legal services to CalWORKs participants and their minor children, and GR/GROW participants, who are victims of domestic violence, and 2) DVSBP services that include temporary shelter and resource connections to victims of domestic violence.

Implementation of Strategic Plan Goals

This recommended action is consistent with the principles of the Countywide Strategic Plan, Goal #1, Operational Effectiveness to maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services.

FISCAL IMPACT/FINANCING

The total maximum cost of the DVSS contracts for the three-year contract term is estimated at \$37,785,696. Out of the \$37,785,696, \$37,062,696 is funded with CalWORKs Single Allocation. The estimated contract amount (CalWORKs funding) for Fiscal Year (FY) 2013-14 is \$12,354,232; there is no NCC impact after the required CalWORKs Maintenance of Effort is met. The estimated annual GROW portion will be \$181,000 of which \$82,174 is funded with CalFresh Employment and Training funds and \$98,826 is NCC. The estimated annual GR portion will be \$60,000 which is 100 percent NCC.

The annual cost for the DVSS contracts is \$12,595,232 allocated as follows:

Program	Amount	Funding Source
CalWORKs	\$12,354,232	CalWORKs Single Allocation 100%
GR	\$60,000	NCC 100%
GROW	\$181,000	CFET 45.4%
		NCC 54.6%
Total Annual Cost	\$12,595,232	

The total annual NCC impact is \$158,826.

The total maximum cost of the DVSBP contracts for the five-year contract term is \$9,499,965. The

annual cost for the DVSBP contracts for each fiscal year is \$1,899,993. A special fee of \$23 per marriage license and one-third of fines collected from convicted batterers are deposited into the Domestic Violence Special Fund, which is used to finance the DVSBP. There is no NCC impact to the County, as DVSBP is fully funded from the Domestic Violence Special Fund.

Funding for DVSS and DVSBP services is included in the Department's FY 2013-14 Recommended Budget. Funding for future fiscal years will be included in the Department's Budget requests.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under the DVSS contracts, contractors will provide case management and/or legal services to CalWORKs, GROW and GR participants. The program allows for the provision of services that include, but are not limited to, crisis intervention, counseling, therapy, education, shelter, and legal assistance services. The services assist participants to attain safety, stability, and self-sufficiency. The expected outcome is that participants have a safety plan in place and participate in Welfare-to-Work (WtW) activities. Contractor performance will be measured by the percent of participants with a safety plan in place; the percent of participants who are making satisfactory progress toward overcoming barriers to employment; and the percent of participants in WtW activities.

Under the DVSBP contracts, contractors will provide a 24-hour crisis hotline, 24-hour emergency shelter, food, clothing, transportation, psychological support, peer counseling, and referrals to community resources to assist victims of domestic violence needed for their safety and survival. Any Los Angeles County resident is eligible for DVSBP services.

The contracts will not result in the unauthorized disclosure of confidential information and will be in full compliance with federal, State and County regulations.

The contractors are in compliance with all Board, CEO, and County Counsel requirements.

The Department has evaluated and determined that the Living Wage Program (County Code 2.201) does not apply as the recommended contract is not being awarded under the provisions of Chapter 2.121 of the County Code.

The CEO and County Counsel have reviewed this Board letter. The DVSS contract, Enclosure I, and the DVSBP contract, Enclosure III, have been approved as to form by County Counsel.

CONTRACTING PROCESS

On October 9, 2012, DPSS released a Request for Statement of Qualification (RFSQ) for DVSS and DVSBP services. California Department of Social Services approved the RFSQ method pursuant to Manual of Policies and Procedures Section 23-650.17. The RFSQ was advertised in the following newspapers: Los Angeles Times, La Opinion, Long Beach Press Telegram, Antelope Valley Press, and the San Gabriel Valley Tribune. Announcements were mailed to over 800 agencies on the DPSS Bidders list. The RFSQ was also posted on the "L.A. County Doing Business with Us" website and the "DPSS Contract Opportunities" website.

DPSS received 113 responses from 47 agencies. Three agencies were disqualified for not meeting the minimum requirements set forth in the RFSQ. In accordance with the County Protest Policy, disqualified agencies were provided the opportunity to request a Disqualification Review. A DPSS manager not substantially involved in the RFSQ reviewed the disqualification. No protests were

filed.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will enable DPSS to provide beneficial services to victims of domestic violence and their children. These services enable them to overcome barriers and move toward self-sufficiency.

The contracts will not infringe on the role of the County in relationship to its residents, and the County's ability to respond to emergencies will not be impaired. There is no change in risk exposure to the County.

CONCLUSION

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board Letter to DPSS.

Respectfully submitted,

SHERYL L. SPILLER

8.5.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service

Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.6 CONFLICT OF INTEREST

- 8.6.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.6.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall

immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances and completion of Attachment H, Certification of No Conflict of Interest. Failure to comply with the provisions of this Subsection 8.6 shall be a material breach of this Contract.

8.7 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.8 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.8.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

8.8.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.9 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.9.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.9.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this

Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.9.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or

adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five years, that Contractor may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County

The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.14.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.15 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Subsection 9.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

- 8.17.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.17.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.21 and 8.22 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Public Social Services
Contract Management Division
12900 Crossroads Parkway South
City of Industry, California 91746
Attention: County Contract Administrator

Contractor also shall promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its Sub-Contractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.21.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.21.3 Cancellation of Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten days in advance of cancellation for non-payment of premium and 30 days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.21.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach.

Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.21.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

8.21.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.21.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.21.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three years following Contract expiration, termination or cancellation.

8.21.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as the underlying primary policies, to satisfy the Required Insurance provisions.

8.23 LIQUIDATED DAMAGES

8.23.1 If, in the judgment of the Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or designee, in a written notice describing the reasons for said action.

8.23.2 If the Director determines that there are deficiencies in the performance of this Contract that the Director or designee, deems

are correctable by the Contractor over a certain time span, the Director or designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director may:

- (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or
- (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is specified in the Performance Requirements Summary (PRS) Chart, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or
- (c) Upon giving five days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.23.3 The action noted in paragraph 8.23.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.23.4 This paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or paragraph 8.23.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.24 MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

- 8.25.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Subsection 8.25 when so requested by the County.
- 8.25.7 If the County finds that any provisions of this Subsection 8.25 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.26 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict the Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.32 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.33 PUBLIC RECORDS ACT

8.33.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Subsection 8.35 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.33.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.34 PUBLICITY

8.34.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.34.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Subsection 8.34 shall apply.

8.35 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract.

The Contractor agrees that any State or federal agencies and the County, or their authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.35.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within 30 days of the Contractor's receipt thereof, unless otherwise provided by applicable federal or State law or under this Contract. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.35.2 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph shall constitute a material breach of

this Contract upon which the County may terminate or suspend this Contract.

- 8.35.3 If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.36 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.37 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subsection 8.11- Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subsection 8.39 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.38 TERMINATION FOR CONVENIENCE

- 8.38.1 County may terminate this Contract, hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.38.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop work under this Contract, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.38.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract or Work Order shall be maintained by the Contractor in accordance with Subsection 8.35, Record Retention AND Inspection/Audit Settlement.

8.39 TERMINATION FOR DEFAULT

8.39.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Program Director:

- Contractor has materially breached this Contract;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.39.2 In the event that the County terminates this Contract in whole or in part as provided in paragraph 8.39.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.39.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in paragraph 8.39.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign

or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph 8.39.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.39.4 If, after the County has given notice of termination under the provisions of this Subsection 8.39, it is determined by the County that the Contractor was not in default under the provisions of this Subsection 8.39, or that the default was excusable under the provisions of paragraph 8.39.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subsection 8.38 - Termination for Convenience.

8.39.5 The rights and remedies of the County provided in this Subsection 8.39 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.40 TERMINATION FOR IMPROPER CONSIDERATION

8.40.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.40.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.40.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.41 TERMINATION FOR INSOLVENCY

8.41.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.41.2 The rights and remedies of the County provided in this Subsection 8.41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.42 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.43 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.44 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.45 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subsection 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 WARRANTY AGAINST CONTINGENT FEES

8.46.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.46.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.47 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

8.47.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

8.47.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.48 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.47 "Warranty of Compliance with County's Defaulted

Property Tax Reduction Program” shall constitute default under this Contract. PREAMBLE

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals and performance outcomes.

The County's vision is to improve the quality of life in the County by providing responsive, efficient and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the County's shared values of: 1) Accountability; 2) A Can-Do-Attitude; 3) Compassion; 4) Customer Orientation; 5) Integrity; 6) Leadership; 7) Professionalism; 8) Respect for Diversity; and 9) Responsiveness.

These shared values are encompassed in the County Strategic Plan's Goal 3) Integrated Service Delivery – maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services. This requires coordination, collaboration and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting partners.

1.0 INTRODUCTION

1.1 CalWORKs OVERVIEW

The California Work Opportunity and Responsibility to Kids (CalWORKs) is a welfare program that provides temporary financial assistance and employment services to families with minor children also known as an Assistance Unit. The Welfare-to-Work (WtW) Program is the employment segment of CalWORKs designed to assist individuals who are receiving assistance through the Program to transition as rapidly as possible from dependence on public assistance into self-sufficiency through unsubsidized employment. Aided adults or caretakers of families on welfare, unless exempt, are required to meet the WtW work requirements.

In Los Angeles County, the CalWORKs WtW program is administered by the Department of Public Social Services (DPSS) Greater Avenues for Independence (GAIN) Program, which is the county's comprehensive WtW program for families receiving CalWORKs. The DPSS WtW program helps adults acquire needed skills to obtain employment with the ultimate goal of improving the lives of families through becoming economically self-sufficient. As part of the WtW program, specialized supportive services, such as domestic violence (DV), mental health, and substance abuse treatment services, are available to assist Participants in overcoming barriers to employment.

1.2 GENERAL RELIEF OVERVIEW

General Relief (GR) is a County-funded program that provides financial assistance to indigent adults who are ineligible for federal or State programs. The General Relief Opportunity for Work (GROW) Program offers employment and training services to GR employable individuals and to GR participants who are exempt from mandatory participation in GROW, but who choose to enroll in GROW as volunteers. GROW is designed to help participants find, and maintain employment which will lead to self-sufficiency.

9.0 TECHNICAL EXHIBITS

The following are additional information, documents and forms necessary to provide DVSS.

- 1. Performance Requirements Summary
- 2. List of Forms

PERFORMANCE REQUIREMENTS SUMMARY (PRS)

I. INTRODUCTION

The PRS displays the major services that will be monitored during the term of the Contract. It indicates the required services, the standards for performance, maximum deviation from standard before service will be determined unsatisfactory, DPSS' preferred method of monitoring, and the unsatisfactory performance indicator which may be assessed if the service is not satisfactorily provided.

A listing of required services or Standards used in the PRS are intended to be completely consistent with the main body of work in this Contract and are not meant in any case to create, extend, revise or expand any obligation of the Contractor beyond that defined in the main body of work in the Contract. In addition, the PRS is not meant to be a conclusive list of all monitored items. Contractor will monitor for the entire provisions in the Contract. In any case of apparent inconsistency between required services or Standards as stated in the main body of the Contract and the PRS, the meaning apparent in the main body of work will prevail. If any required service or Standard seems to be created in the PRS which is not clearly and forthrightly set forth in the main body of work, that apparent required service or Standard will be null and void and place no requirement on Contractor and will not be the basis for fiscal assessments.

DPSS expects a high standard of Contractor performance for the required service. DPSS will work with Contractor to help resolve any areas of difficulty brought to the attention of DPSS by Contractor before the allowable deviation from the acceptable Standard occurs. However, it is Contractor responsibility to provide the services set forth in this Contract and summarized in the PRS. This section does not modify or replace Contractor obligation to provide expert professional services to DPSS.

II. PERFORMANCE REQUIREMENTS SUMMARY CHART

The Performance Requirements Summary Chart follows the PRS in Attachment A, Technical Exhibit 1a and provides the following:

1. Lists the Contract requirements considered most critical to acceptable Contract performance (Column 1 of chart).
2. Defines the Standard of performance for each required service (Column 2 of chart).
3. Shows the maximum allowable degree of deviation from perfect performance or Acceptable Quality Level (AQL) for each required service that is allowed before DPSS determines the service unsatisfactory and considers fiscal assessments (Column 3 of chart).
4. Shows the Monitoring Methods DPSS will use to evaluate Contractor's performance in meeting the Contract requirements (Column 4 of chart).

5. Shows the amount of fiscal assessments that may be considered for exceeding the AQL (Column 5 of the chart). These indicators may serve as the baseline for assessing liquidated damages.

III. QUALITY ASSURANCE

Contractor performance will be compared to the contract standards and AQL. DPSS may use a variety of inspection methods to evaluate Contractor performance, including:

1. Review of reports, statistical record and files.
2. User complaints.
3. Random sampling (which is a standardized method for monitoring product (output) quality wherein all products within a lot (batch) stand a statistically equal chance of being selected for inspection). For random sample tables/methods to be used by DPSS, refer to book entitled Handbooks Sampling for Auditing and Accounting (2nd Edition) by Herbert Arkin.
4. Site visits.

IV. CONTRACT DISCREPANCY REPORT

Performance of a listed service is considered acceptable when the number of discrepancies found during contract monitoring procedures does not exceed the number of discrepancies allowed by the AQL. When the performance is unacceptable, Contractor may be required to respond to a Contract Discrepancy Report (CDR), as follows:

1. Verbal notification of a contract discrepancy will be made to Contractor as soon as possible whenever a contract discrepancy is identified. When possible, the problem shall be immediately resolved by Contractor. DPSS will determine whether a CDR will be issued. (See Attachment A, Technical Exhibit 1b)
2. If a CDR is issued, it will be sent to Contractor.
3. Upon receipt of a CDR, Contractor is required to respond in writing to DPSS within ten business days acknowledging the reported discrepancies, presenting contrary evidence or providing explanation for the questioned action, and presenting a program for immediate corrective action of all failures of performance identified in the CDR within 15 business days.
4. DPSS will evaluate Contractor explanation on the CDR and if DPSS determines that without fault or negligence by Contractor, DPSS may decline to deem it an unsatisfactory performance for the month.

V. CRITERIA FOR ACCEPTABLE OR UNACCEPTABLE PERFORMANCE

Determination of the number of defects that renders a service unsatisfactory:

The sample is selected at random so that it will be representative of the entire

population. It is compared to the standard, and conclusions are made about Contractor performance for the whole group. The random sampling plan includes the following information:

AQL == Maximum percent of defects that can be accepted and still meet this Contract's Standard for satisfactory performance;

Lot Size = Total number of units or services provided during the sample period;

Sample Size = Number of units to be checked for a given time period; and

Acceptance/Rejection Numbers = Numbers which indicate whether the lot is acceptable or unacceptable.

The AQL for each sampling is taken from the PRS. The lot size is determined by estimating how often Contractor will provide a service during the sample period. To ensure each service has an equal chance of being selected, a random number table may be used to determine the sample.

The number of errors from the sample size shall be applied to the lot size. For example, a sample size of 100 selected from a lot size of 1000, with an AQL of 10 percent, allows for ten (10) acceptable discrepancies.

- $12/100$ (sample size) = 12%
- $12\% - 10\% = 2\%$ over the AQL

When services are determined to be unsatisfactorily performed in the time stipulated, DPSS may require the service be properly performed prior to the next scheduled performance review.

VI. REMEDY OF DEFECTS

Notwithstanding a finding of unsatisfactory service and assessment of fiscal assessments, Contractor must, within the timeframe as specified by DPSS, perform such services again at an acceptable level.

VII. UNSATISFACTORY PERFORMANCE REMEDIES

When Contractor performance does not conform with the requirements of this Contract, DPSS shall have the right to apply the following non-performance remedies:

1. Require Contractor to implement a formal corrective action plan, subject to approval by DPSS. In the plan, Contractor must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.
2. Consider fiscal assessments for errors per quarter that exceed the allowable AQL. Should number of errors be determined to exceed the AQL in any given quarter, DPSS shall send a letter to Contractor identifying deficiencies and requesting to provide an action plan within ten (10) working days to rectify deficiencies. Provisions included in Section III, will apply to these occurrences.

If the same types of errors exceed the AQL for two consecutive quarters, Contractor will be required to meet with DPSS to address specific plans to immediately rectify deficiencies. Provisions included herein will apply to these occurrences.

3. Failure of Contractor to comply with or satisfy the requests(s) for improvement of performance or to perform the neglected work specified within ten business days shall constitute authorization for DPSS to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of Contractor failure to perform said service(s), as determined by DPSS, shall be offset against Contractor future invoice.

Child Care Fraud Awareness Information

Providing misinformation or false statements to the County or to the Resource and Referral/Alternative Payment Program (R&R/APP) agencies may be cause for criminal prosecution and/or termination of paid child care services.

If you or someone you know would like to provide child care, please call Community Care Licensing at (310) 337-4333 or (323) 981-3350, or your local R&R agency for licensing, training, resource, or related information. For more information, you may access the DPSS child care website at:

http://www.ladpss.org/dpss/child_care/

- CalWORKs may pay for child care while you are:**
- in a County-approved welfare-to-work activity (GAIN, Cal-Learn, REP) including Domestic Violence, Mental Health, and/or Substance Abuse Services;
 - in a County-approved school or training program, which may be an approved Self-Initiated Program (SIP);
 - working, even if you're sanctioned or not in GAIN; and
 - off CalWORKs in the last two years and you have low income.
- CalWORKs may pay for child care provided at:**
- licensed child care centers;
 - licensed family child care homes;
 - the homes of license-exempt neighbors, friends, relatives, or in the child's home; and school sites.
- You can apply for child care over the phone or in person with:**
- a Child Care Coordinator at your local DPSS office;
 - your GAIN or Eligibility Worker;
 - your local Los Angeles County Alternative Payment Program (APP) agencies' main offices (see back of brochure); and
 - the Resource & Referral desk at your local DPSS office.
- Child care eligibility shall be determined within 30 calendar days after you apply:**
- If you qualify, your eligibility will be determined within 30 calendar days from the date we receive your verbal request or a completed CalWORKs Stage 1 Child Care Request (ST-1-01).

 - All child care providers must be at least 18 years old and not be part of your CalWORKs grant.
- If you select a license-exempt child care provider who is not the aunt, uncle, or grandparent of the child, he/she must be registered with Trustline before any payments for child care can be made. If the person passes Trustline, CalWORKs can pay the provider for up to the last 120 calendar days of care. If the provider does not pass Trustline, and you have the provider care for your child before you receive the Trustline results, you may have to pay the provider.
 - Trustline is a statewide database of child care providers that have no disqualifying criminal convictions; registered providers must be fingerprinted and pass a criminal background check.
 - You may select the type of care you feel is best suited for your children's needs.
 - Remember to report any changes in your child care arrangements to your worker to avoid interruption of payments.
 - If child care is the only type of benefit you are receiving, it does not count towards the CalWORKs 60-month lifetime cash aid limit.

Jury Service Ordinance
 Title 2 ADMINISTRATION
 Chapter 2.203.010 through 2.203.090
 CONTRACTOR EMPLOYEE JURY SERVICE

203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

INTERNAL REVENUE SERVICE NOTICE 1015

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2012)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2012 are less than \$50,270 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2013.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

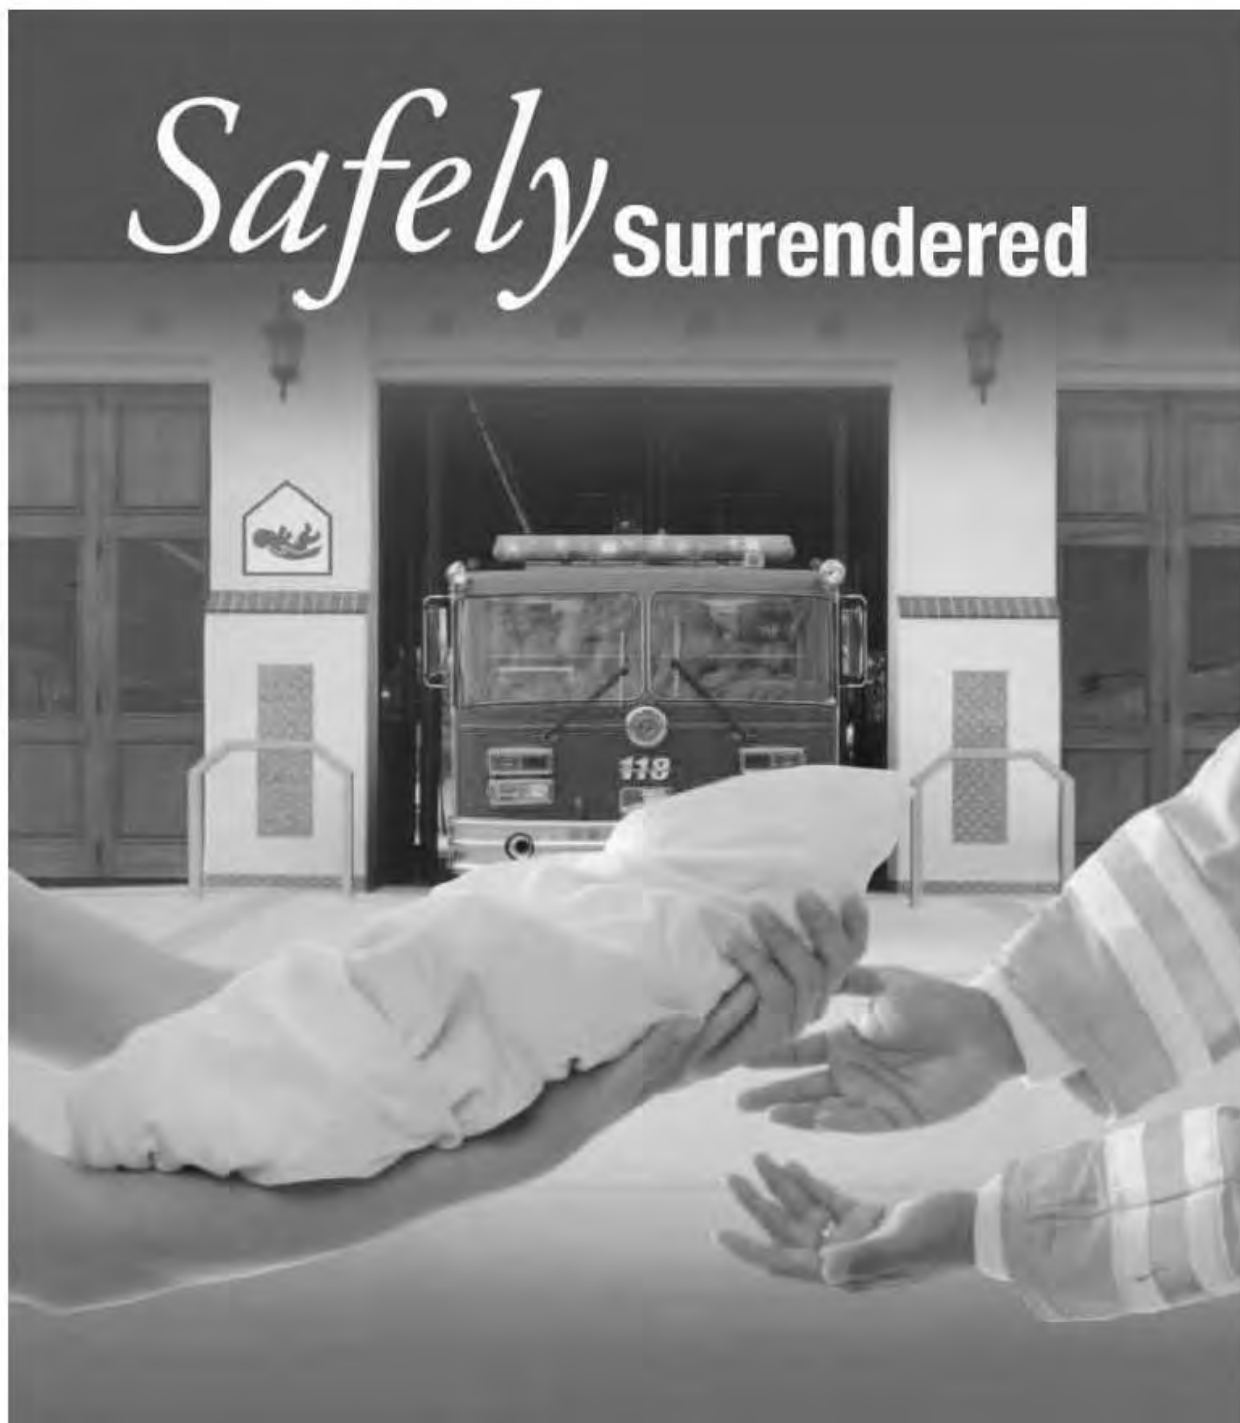

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2012 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2012 and owes no tax but is eligible for a credit of \$800, he or she must file a 2012 tax return to get the \$800 refund.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1-877-BABY SAFE 1-877-222-9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**CONTRACTOR'S OBLIGATIONS AS A BUSINESS ASSOCIATE
UNDER THE HEALTH INSURANCE PORTABILITY AND
ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY
FOR ECONOMIC AND CLINICAL HEALTH ACT
(BUSINESS ASSOCIATE AGREEMENT)**

Under this Contract, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005, title XIII and title IV of Division B, ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

DEFINITIONS

- 1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.
- 1.2 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.
- 1.3 "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.
- 1.4 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

- 1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.
- 1.6 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).
- 1.7 "Minimum Necessary" refers to the minimum necessary standard in 45 C.F.R. § 162.502 (b) as in effect or as amended.
- 1.8 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.
- 1.9 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.
- 1.10 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.
- 1.11 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.
- 1.12 "Security Rule" means the Security Standards for the Protection of Electronic Health Information also referred to as the Security Regulations at 45 Code of Federal Regulations (C.F.R.) Part 160 and 164.
- 1.13 "Services" has the same meaning as in the body of this Contract.
- 1.14 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.

- 1.15 “Use” or “Uses” mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate’s internal operations.
- 1.16 Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

OBLIGATION OF COVERED ENTITY

- 3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

- 4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Contract, upon either party's knowledge of a material breach by the other party, the party with knowledge of the other party's breach shall:
- (a) Provide an opportunity for the breaching party to cure the breach or end the violation and terminate this Contract if the breaching party does not cure the breach or end the violation within the time specified by the non-breaching party;
 - (b) Immediately terminate this Contract if a party has breached a material term of this Contract and cure is not possible; or
 - (c) If neither termination nor cure is feasible, report the violation to the Secretary of the federal Department of Health and Human Services.
- 4.3 Disposition of Protected Health Information Upon Termination or Expiration.
- (a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Contract, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on

- (b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

- 5.1 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Business Associate Agreement.
- 5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Business Associate Agreement is contrary to another provision of this Contract, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of this Contract.
- 5.4 Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy or Security Regulations means the section as in effect or as amended.
- 5.5 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.
- 5.6 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations and other privacy laws governing Protected Health Information.

Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.5 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

8.5.1 Jury Service Program: This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Attachment G, Jury Service Ordinance and incorporated by reference into and made part of this Contract.

8.5.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor

has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.6 CONFLICT OF INTEREST

- 8.6.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.6.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted

during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances and completion of Attachment H, Certification of No Conflict of Interest. Failure to comply with the provisions of this Subsection 8.6 shall be a material breach of this Contract.

8.7 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.8 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.8.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

8.8.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.9 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.9.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.9.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.9.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.9.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision,

and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five years, that Contractor may after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.11.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Subsection 9.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.17 FORCE MAJEURE

- 8.17.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").
- 8.17.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. - 8.17.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

issue all notices or demands required or permitted by the County under this Contract.

8.32 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.33 PUBLIC RECORDS ACT

8.33.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Subsection 8.35 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.33.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.33.3 Do not place in a document to the County the confidential location of a Confidential Domestic Violence Shelter or the identity of any shelter employee or volunteer to County.

8.34 PUBLICITY

8.34.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from

publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.34.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Subsection 8.34 shall apply.

8.35 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles (GAAP). To the extent permitted by law, the Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract.

The Contractor agrees that any State or federal agencies and the County, or their authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract, unless prohibited by law. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.35.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, to the extent permitted by law, Contractor shall file a copy of such audit report with the County's Auditor-Controller within 30 days of the Contractor's receipt thereof. The County shall make a

reasonable effort to maintain the confidentiality of such audit report(s).

- 8.35.2 If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, to the extent permitted by law, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.36 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.37 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subsection 8.11- Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subsection 8.39 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.38 TERMINATION FOR CONVENIENCE

- 8.38.1 County may terminate this Contract, in whole or in part, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such

termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.38.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop work under this Contract, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.38.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Subsection 8.35, Record Retention and Inspection/Audit Settlement.

8.39 TERMINATION FOR DEFAULT

8.39.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Program Director:

- Contractor has materially breached this Contract;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.39.2 In the event that the County terminates this Contract in whole or in part as provided in paragraph 8.39.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

8.39.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in paragraph 8.39.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the

Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph 8.39.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.39.4 If, after the County has given notice of termination under the provisions of this Subsection 8.39, it is determined by the County that the Contractor was not in default under the provisions of this Subsection 8.39, or that the default was excusable under the provisions of paragraph 8.39.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subsection 8.38 - Termination for Convenience.

8.39.5 The rights and remedies of the County provided in this Subsection 8.39 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.40 TERMINATION FOR IMPROPER CONSIDERATION

8.40.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.40.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.40.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.41 TERMINATION FOR INSOLVENCY

8.41.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or

8.41.2 The rights and remedies of the County provided in this Subsection 8.41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.42 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.43 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The

County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.44 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.45 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subsection 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 WARRANTY AGAINST CONTINGENT FEES

8.46.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.46.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.47 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

8.47.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

8.47.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.48 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.47 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

The County of Los Angeles seeks to collaborate with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's Strategic Plan Mission, Values, Goals and performance outcomes.

The County's vision is to improve the quality of life in the County by providing responsive, efficient and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the County's shared values of: 1) Accountability; 2) A Can-Do-Attitude; 3) Compassion; 4) Customer Orientation; 5) Integrity; 6) Leadership; 7) Professionalism; 8) Respect for Diversity; and 9) Responsiveness.

These shared values are encompassed in the County Strategic Plan's Goal 3) Integrated Service Delivery – maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services. This requires coordination, collaboration and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies and community and contracting partners.

**CALIFORNIA CODES
WELFARE AND INSTITUTIONS CODE
SECTION 18290-18307**

18290. The Legislature hereby finds and declares that there is a present and growing need to develop innovative strategies and services to ameliorate and reduce the trauma of domestic violence. There are hundreds of thousands of persons in California who are regularly abused. In many cases, the acts of domestic violence lead to the death of one of the involved parties. Victims of domestic violence come from all socioeconomic classes and ethnic groups, though it is the poor who suffer most from domestic violence, since they have no immediate access to private counseling and shelter for themselves and their children. Children, even when they are not physically assaulted, very often suffer deep and lasting emotional effects.

The Legislature further finds and declares that there is a high incidence of death and injury sustained by law enforcement officers in the handling of domestic disturbances. Police arrests for domestic violence are low, and victims are reluctant to press charges or make citizen's arrests. Furthermore, instances of domestic violence are considered to be the single most unreported crime in the state.

It is the intent of the Legislature to begin to explore and determine ways of achieving reductions in serious and fatal injuries to the victims of domestic violence and begin to clarify the problems, causes, and cures of domestic violence. In order to achieve these results, it is the intent of the Legislature that the state shall support projects in several areas throughout the state for the purpose of aiding victims of domestic violence by providing them a place to escape the destructive environment in an undisclosed and secured location, on a 24-hour basis, where staff meet the requirements set forth in Section 1037.1 of the Evidence Code.

It is further the intent of the Legislature to resolve conflicting interpretations as to whether county boards of supervisors have discretionary authority to fund nonshelter-based county domestic violence programs that lack any emergency or transitional shelter component, by restricting funding under this chapter to shelter-based domestic violence programs, as described in Sections 18294 and 18295. These clarifying and conforming changes are intended to be declaratory of existing law.

18291. For purposes of this chapter:

(a) "Domestic violence" means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, or person with whom the suspect has had a child or is having or has had a dating or engagement relationship.

(b) "Cohabitant" means two unrelated adult persons living together for a substantial period of time, resulting in some permanency of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to, all of the following:

- (1) Sexual relations between the parties while sharing the same living quarters.
- (2) Sharing of income or expenses.
- (3) Joint use or ownership of property.
- (4) Whether the parties hold themselves out as husband and wife.
- (5) The continuity of the relationship.
- (6) The length of the relationship.
- (c) "Domestic violence shelter" means a shelter for domestic violence victims that meets all of the following requirements:
 - (1) Provides shelter in an undisclosed and secured location.
 - (2) Provides staff that meet the requirements set forth in Section 1037.1 of the Evidence Code.
 - (3) Meets the requirements set forth in Section 18294.
- (d) "Undisclosed" means a location that is not advertised or publicized.

18293. (a) In order to be eligible for funding pursuant to this chapter, a domestic violence shelter-based program shall demonstrate its ability to receive and make use of any funds available from governmental, voluntary, philanthropic, or other sources that may be used to augment any state or county funds appropriated for the purposes of this chapter. Each domestic violence shelter-based program shall make every attempt to qualify the domestic violence shelter-based program for any available federal funding.

(b) No provision of this section is intended to prohibit domestic violence shelter-based programs receiving funds pursuant to this chapter from receiving additional funds from any other public or private source. Funds provided pursuant to this chapter shall not be used to reduce the financial support from other public or private sources.

(c) Proposed or existing domestic violence shelter-based programs that meet the requirements set forth in Section 18294, shall receive funding pursuant to this chapter upon the approval of the local board of supervisors.

(d) Funding shall be given to agencies and organizations whose primary function is to administer domestic violence shelter-based programs. Any additional fees received by Alameda County, Contra Costa County, Solano County, and the City of Berkeley at the time of issuance of a marriage license pursuant to Sections 18308, 18309, 18309.5, and 18309.6 that are in excess of the twenty-three dollar (\$23) fee collected pursuant to this act, shall be available to that city or county for funding domestic violence programs other than domestic violence shelter-based programs.

(e) Prior to approving a domestic violence shelter-based program or programs for this funding, the board shall consult with individuals and groups that have expertise in the problems of domestic violence and in the operation of domestic violence shelter-based programs including operations of existing domestic

violence shelter-based programs.

(f) Upon approving one or more domestic violence shelter-based programs for funding, the board shall direct the county treasurer to disburse moneys from the county's domestic violence shelter-based program special fund and for funding, the board shall designate a local agency to monitor the domestic violence shelter-based program or programs. This monitoring shall include information regarding the number of persons requesting services, the number of persons receiving services according to the type of services provided, and the need, if any, for additional services or staffing.

(g) Programs that receive funding through this chapter shall, to the extent feasible, provide services to persons with a physical

disability who are victims of domestic violence. If the program cannot provide the services, then the program's staff, to the extent feasible, shall assist in referring the person with a physical disability to other programs and services in the community where assistance may be obtained.

(h) The process to determine eligibility of a domestic violence shelter-based program to receive funding pursuant to this chapter shall have as its primary purpose to ascertain that the program meets the service requirements of Section 18294. The process shall be expedient and shall include a mechanism for annual recertification.

(i) Funding obtained pursuant to this chapter is for the unrestricted use of a recipient domestic violence shelter-based program, and may be used for direct and indirect costs.

18294. Domestic violence shelter-based programs shall provide all of the following basic services to victims of domestic violence and their children:

- (a) Shelter on a 24 hours a day, seven days a week basis.
- (b) A 24 hours a day, seven days a week telephone hotline for crisis calls.
- (c) Temporary housing and food facilities.
- (d) Psychological support and peer counseling provided in accordance with Section 1037.1 of the Evidence Code.
- (e) Referrals to existing services in the community.
- (f) A drop-in center that operates during normal business hours to assist victims of domestic violence who have a need for support services.
- (g) Arrangements for schoolage children to continue their education during their stay at the domestic violence shelter-based program.
- (h) Emergency transportation as feasible.

18295. In addition to the services required in Section 18294, to the extent possible, and in conjunction with already existing community services, the domestic violence shelter-based programs shall provide a method of obtaining the following services for the

victims of domestic violence:

- (a) Medical care.
- (b) Legal assistance.
- (c) Psychological support and counseling.
- (d) Information regarding other available social services.

18296. The staff of the domestic violence shelter-based program shall work with social service agencies, schools, and law enforcement agencies in an advocacy capacity for those served by the domestic violence shelter-based programs.

18297. The staff of each domestic violence shelter-based program shall attempt to achieve community support and acceptance of the program by advocating the program to community representatives and groups within the community.

Volunteers shall be trained and used to maximum capacity in the delivery of services. Staff and volunteers shall meet the training requirements set forth in Section 1037.1 of the Evidence Code.

18298. Inasmuch as domestic violence shelter-based programs are to serve a variety of cultural backgrounds, to the extent feasible, a portion of the domestic violence shelter-based program's personnel shall be bilingual. An effort shall be made to recruit formerly battered persons as staff members.

18299. A domestic violence shelter-based program shall maintain annual fiscal reports in a form to be prescribed by the Generally Accepted Accounting Principles (GAAP).

18300. An annual report shall be prepared by each domestic violence shelter-based program for submission to the county board of supervisors. The report shall be made available to the public upon request, and shall include all of the following elements:

- (a) The total number of persons requesting services of the domestic violence shelter-based programs.
- (b) The number of persons served in the domestic violence shelter-based program, by each type of service provided.
- (c) A description of the social and economic characteristics of persons receiving services, by type of service provided.

18301. In addition to any other provisions of law concerning the confidentiality of personal information collected by domestic violence shelters, a county shall not require a domestic violence shelter-based program to provide any information not enumerated in Section 18300, or require the disclosure of any information pertaining to the confidential location of a domestic violence shelter-based program or the location or identity of any shelter resident, employee, or volunteer. A county shall not require a method of data collection or recording, or impose any other requirement,

that is inconsistent with the federal Violence Against Women Act (18 U.S.C. Sec. 2261 et seq.).

18304. A county may establish a program for reducing the incidence of domestic violence in the county by establishing or funding domestic violence shelter-based programs that meet the requirements of this chapter. Geographically adjacent counties may combine their respective domestic violence shelter-based programs special funds in order to establish one or more domestic violence shelter-based programs meeting the requirements of this chapter, in order to provide services to the clients of each county that combines its funds with another county.

18305. (a) At the time of issuance of a marriage license pursuant to Section 26840 of the Government Code, twenty-three dollars (\$23) of each fee paid shall be collected by the county clerk for deposit into the county domestic violence shelter-based programs special fund. The fees collected in this special fund shall be disbursed to approved domestic violence shelter-based programs on a yearly or more frequent basis commencing July 1, 1980. The funds shall be disbursed using a request for qualification (RFQ) process.

(b) The board of supervisors shall direct the county clerk to deposit twenty-three dollars (\$23) of each fee into the county domestic violence shelter-based programs special fund. The county domestic violence shelter-based programs special fund shall fund domestic violence shelter-based programs established pursuant to Section 18304. Four dollars (\$4) of each twenty-three dollars (\$23) deposited into the county domestic violence shelter-based programs special fund shall be used, to the extent feasible, to support or expand domestic violence shelter-based programs to target underserved areas and populations. No more than 8 percent of the funds shall be expended for the administrative costs associated with the collection and segregation of the additional marriage license fees, administration of the county domestic violence shelter-based programs special fund, monitoring of the domestic violence shelter-based programs, and meeting the other administrative requirements imposed by this chapter. Counties that do not participate in the establishing or funding of domestic violence shelter-based programs pursuant to this chapter shall be entitled to retain up to 4 percent of the funds for the administrative costs associated with the collection and segregation of the additional marriage license fees and the deposit of these fees in the county domestic violence shelter-based programs special fund.

18305.5. Notwithstanding the availability of funds in either the county domestic violence programs special fund, or the availability of community resources, the county may finance domestic violence shelter-based programs as described in Sections 18294 and 18295.

18306. The county board of supervisors shall consult with the local regional domestic violence coalition, consisting of representatives from existing domestic violence shelter-based programs, in planning for the establishment of a new domestic violence shelter-based program or for ongoing technical assistance for domestic violence shelter-based programs already in the county.

18307. (a) Notwithstanding Section 18305, a county may carry over funds deposited in a county domestic violence shelter-based programs special fund until the time that a domestic violence shelter-based program is established to serve the needs of domestic violence victims of the county. Records of these funds shall be available for public review upon request.

(b) Funds deposited in a county domestic violence shelter-based programs special fund may be used only to finance all, or one or more, basic services specified in Section 18294. This subdivision is declaratory of existing law. These funds shall be used for shelter services, and may be used for direct or indirect costs.

EVIDENCE CODE
SECTION 1037-1037.8

1037. As used in this article, "victim" means any person who suffers domestic violence, as defined in Section 1037.7.

1037.1. (a) (1) As used in this article, "domestic violence counselor" means a person who is employed by a domestic violence victim service organization, as defined in this article, whether financially compensated or not, for the purpose of rendering advice or assistance to victims of domestic violence and who has at least 40 hours of training as specified in paragraph (2).

(2) The 40 hours of training shall be supervised by an individual who qualifies as a counselor under paragraph (1), and who has at least one year of experience counseling domestic violence victims for the domestic violence victim service organization. The training shall include, but need not be limited to, the following areas: history of domestic violence, civil and criminal law as it relates to domestic violence, the domestic violence victim-counselor privilege and other laws that protect the confidentiality of victim records and information, societal attitudes towards domestic violence, peer counseling techniques, housing, public assistance and other financial resources available to meet the financial needs of domestic violence victims, and referral services available to domestic violence victims.

(3) A domestic violence counselor who has been employed by the domestic violence victim service organization for a period of less than six months shall be supervised by a domestic violence counselor who has at least one year of experience counseling domestic violence victims for the domestic violence victim service organization.

(b) As used in this article, "domestic violence victim service organization" means a nongovernmental organization or entity that provides shelter, programs, or services to victims of domestic violence and their children, including, but not limited to, either of the following:

(1) Domestic violence shelter-based programs, as described in Section 18294 of the Welfare and Institutions Code.

(2) Other programs with the primary mission to provide services to victims of domestic violence whether or not that program exists in an agency that provides additional services.

1037.2. (a) As used in this article, "confidential communication" means any information, including, but not limited to, written or oral communication, transmitted between the victim and the counselor in the course of their relationship and in confidence by a means which, so far as the victim is aware, discloses the information to no third

persons other than those who are present to further the interests of the victim in the consultation or those to whom disclosures are reasonably necessary for the transmission of the information or an accomplishment of the purposes for which the domestic violence counselor is consulted. The term includes all information regarding the facts and circumstances involving all incidences of domestic violence, as well as all information about the children of the victim or abuser and the relationship of the victim with the abuser.

(b) The court may compel disclosure of information received by a domestic violence counselor which constitutes relevant evidence of the facts and circumstances involving a crime allegedly perpetrated against the victim or another household member and which is the subject of a criminal proceeding, if the court determines that the probative value of the information outweighs the effect of disclosure of the information on the victim, the counseling relationship, and the counseling services. The court may compel disclosure if the victim is either dead or not the complaining witness in a criminal action against the perpetrator. The court may also compel disclosure in proceedings related to child abuse if the court determines that the probative value of the evidence outweighs the effect of the disclosure on the victim, the counseling relationship, and the counseling services.

(c) When a court rules on a claim of privilege under this article, it may require the person from whom disclosure is sought or the person authorized to claim the privilege, or both, to disclose the information in chambers out of the presence and hearing of all persons except the person authorized to claim the privilege and such other persons as the person authorized to claim the privilege consents to have present. If the judge determines that the information is privileged and shall not be disclosed, neither he nor she nor any other person may disclose, without the consent of a person authorized to permit disclosure, any information disclosed in the course of the proceedings in chambers.

(d) If the court determines that information shall be disclosed, the court shall so order and inform the defendant in the criminal action. If the court finds there is a reasonable likelihood that any information is subject to disclosure pursuant to the balancing test provided in this section, the procedure specified in subdivisions (1), (2), and (3) of Section 1035.4 shall be followed.

1037.3. Nothing in this article shall be construed to limit any obligation to report instances of child abuse as required by Section 11166 of the Penal Code.

1037.4. As used in this article, "holder of the privilege" means:

(a) The victim when he or she has no guardian or conservator.

(b) A guardian or conservator of the victim when the victim has a guardian or conservator, unless the guardian or conservator is accused of perpetrating domestic violence against the victim.

1037.5. A victim of domestic violence, whether or not a party to the action, has a privilege to refuse to disclose, and to prevent another from disclosing, a confidential communication between the victim and a domestic violence counselor in any proceeding specified in Section 901 if the privilege is claimed by any of the following persons:

- (a) The holder of the privilege.
- (b) A person who is authorized to claim the privilege by the holder of the privilege.
- (c) The person who was the domestic violence counselor at the time of the confidential communication. However, that person may not claim the privilege if there is no holder of the privilege in existence or if he or she is otherwise instructed by a person authorized to permit disclosure.

1037.6. The domestic violence counselor who received or made a communication subject to the privilege granted by this article shall claim the privilege whenever he or she is present when the communication is sought to be disclosed and he or she is authorized to claim the privilege under subdivision (c) of Section 1037.5.

1037.7. As used in this article, "domestic violence" means "domestic violence" as defined in Section 6211 of the Family Code.

1037.8. A domestic violence counselor shall inform a domestic violence victim of any applicable limitations on confidentiality of communications between the victim and the domestic violence counselor. This information may be given orally.

Jury Service Ordinance
 Title 2 ADMINISTRATION
 Chapter 2.203.010 through 2.203.090
 CONTRACTOR EMPLOYEE JURY SERVICE

203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2012)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2012 are less than \$50,270 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2013.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

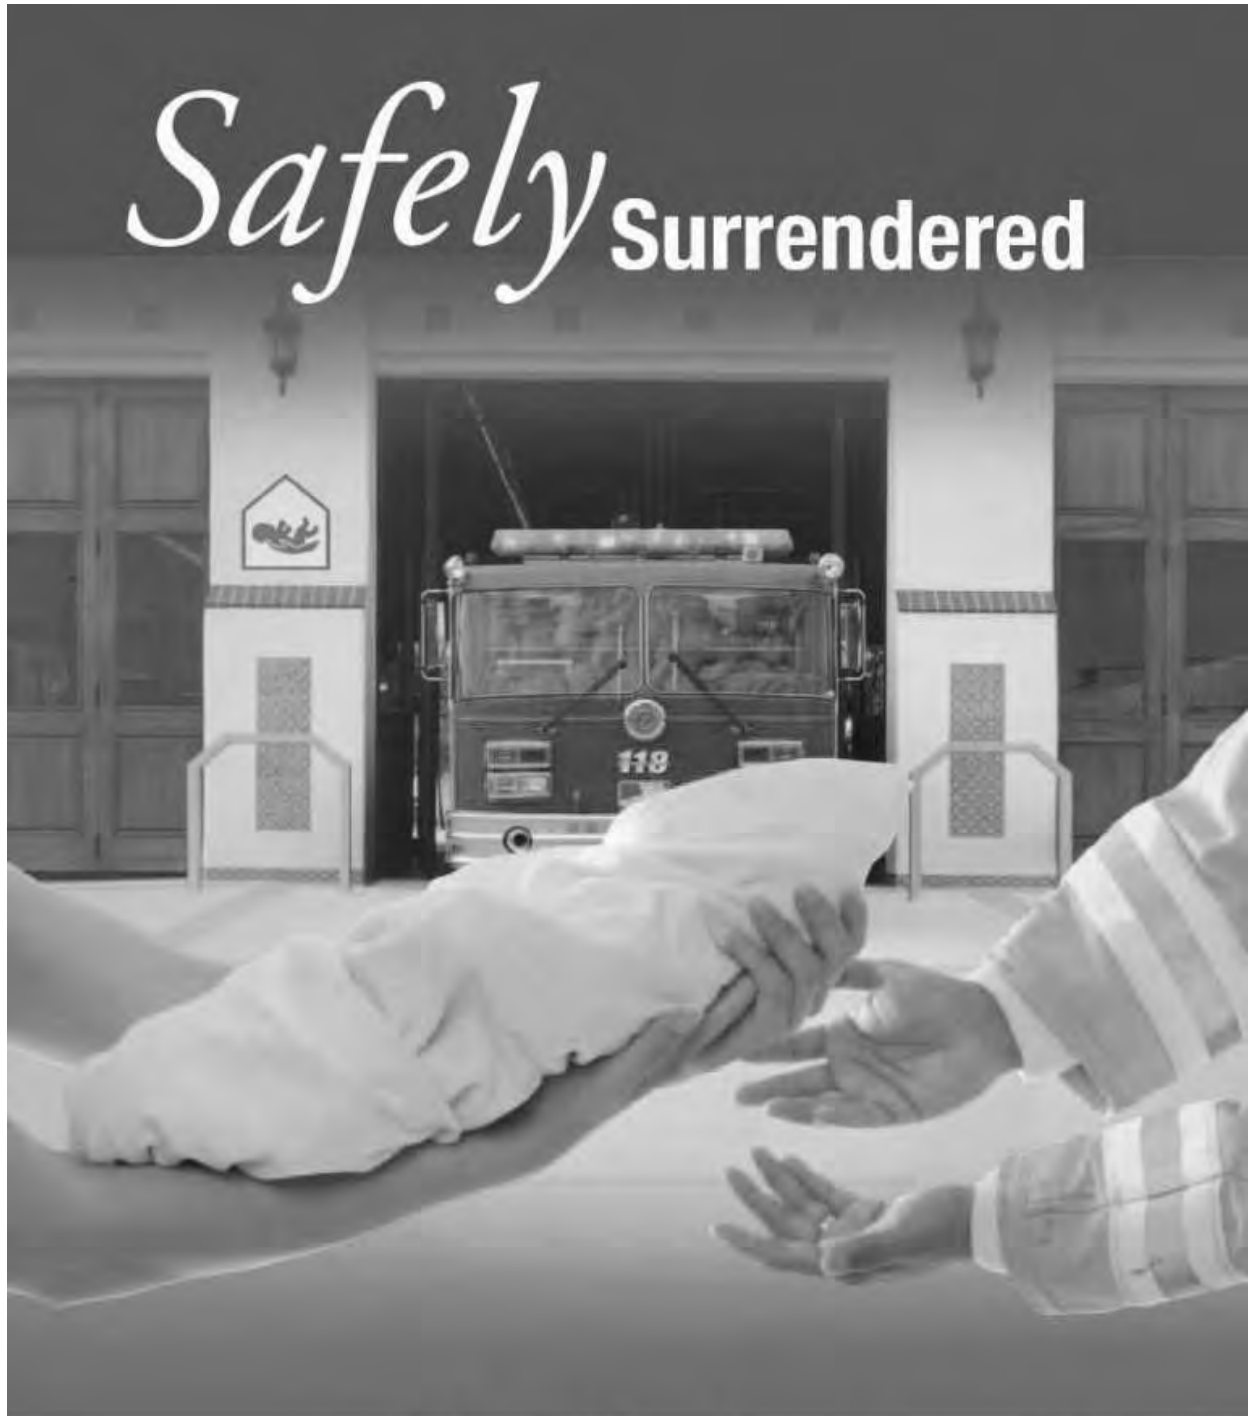

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2012 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2012 and owes no tax but is eligible for a credit of \$800, he or she must file a 2012 tax return to get the \$800 refund.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
